Dear USA Shooting Sponsor Club:

Enclosed please find the zone/regional program. This program covers Rifle, Pistol and Shotgun. These programs are for current USA Shooting member clubs who may be interested in holding one of these events. Only one match per zone or region will be sanctioned per event in a given year.

Please read the program over carefully as it differs somewhat from a regular PTO (i.e. – the events that may be shot, fees collected from competitors, etc.) A “Fee Reporting Form” for these events is enclosed. It is specifically for the Zone or Regional program and should be used when submitting fees.

Although matches can be held from January 1st through December 31st, we recommend that the Zone and/or Regional championships be held during the summer months to allow more juniors to compete. Please review the boundaries for zones and regions as some have changed for 2006.

If you have any questions, please contact the Competitions Division at 719-866-4670 or by e-mail at Lindsay.brooke@usashooting.org.

Sincerely,

Lindsay

Host clubs may elect to hold a preliminary match (another course of fire) prior to the championship event. Only one match per zone/region will be sanctioned per event in a given year. These are higher-level matches with awards provided by USA Shooting. The preliminary match scores are not used for determining zone/regional awards, but should be sent into USA Shooting.

ENTRY FEES:

A USA Shooting registration fee of \$8.00 per competitor per event is to be charged for those entering the zone/regional championship. If a preliminary is being held, any person shooting only the preliminary will also be required to pay the \$8.00 fee.

The zone/regional sponsor club may set the entry fee schedule to cover their own operating costs and any additional awards they present. Sponsor fees must be stated in the program separately from the USA Shooting registration fee.

RULES:

All matches must be conducted according to current USA Shooting Rules. The rulebook can be viewed and printed from our website at www.usashooting.com.

ELIGIBILITY:

All competitors must be individual members of USA Shooting. Individuals may compete in as many zone/regional matches as they wish. USA Shooting medals are restricted to those competitors whose permanent legal address is within the zone/region boundaries.

AWARDS:

USA Shooting will provide each sanctioned zone/regional championship a gold, silver, and bronze medal in each event being held.

SPONSOR CLUB INFORMATION:

A host club must be a current USA Shooting member club. Host clubs are encouraged to provide supplemental awards such as class, category, high visitor, etc.

FINALS:

It is suggested that regional matches include a finals round to determine first, second, and third place awards. Supplemental awards such as class, category, and high visitor are based on the match score, without finals. Finals scores are not reported to USA Shooting.
