

2016 USA SHOOTING RIFLE/PISTOL NATIONAL CHAMPIONSHIPS & AN IPC SHOOTING APPROVED COMPETITION FT. BENNING, GA JUNE 22-29, 2016

WHATS NEW

This event will serve to be an officially sanctioned International Paralympic Committee (IPC) Level 1 competition. Please read below for specifics and requirements.

Nominations will be solicited for a Pistol Athlete Representative. Following Nationals an e-mail election will be conducted to elect the Pistol Rep. The USAS Athlete Advisory Council will then select one of their elected representatives as a director to the USA Shooting Board of Directors. The nomination process will take place at the BBQ on June 28th. Members who have selected "Pistol" on the membership application or renewal or who are registered as pistol competitors at this competition are eligible to participate. Those eligible are highly encouraged to do so.

International entries, beyond those for our IPC events, are welcomed and encouraged, but a new pricing system will be instituted. Please see below for information.

Due to high demand, it is now ***required*** that everyone making entry into our 2016 USAS Rifle & Pistol National Championships have a PTO on file within RailStation (USAS' database system) within the last year. A PTO is defined as to any reported score within the previous year posted to the current member's profile. A PTO can vary from a club weekend match, an official State JO, 2015 WAG, etc.

As a result of increased travel costs, prices for entry have increased by \$5 per event. While we make every effort in order to keep costs low, USAS must also ensure we have adequate staffing at all events.

SCHEDULE

Please see the schedules posted at the end of this program.

INTERNATIONAL PARALYMPIC SANCTIONED EVENT

For para-athletes, the competition will be conducted under current IPC Shooting Rules and Regulations and ISSF Rules and Regulations. This competition is recognized by IPC Shooting as a Level 1 'IPC Shooting Approved Competition'. Consequently, participating athletes must hold a valid 2016 IPC Athlete License, and results from this competition (in every event with athletes from 3 or more NPCs participating) will be recognized by IPC Shooting for Rankings and MQS (including from Rio2016).

Please note that there will not be International Classification conducted at this competition. Therefore, athletes must already hold classification status 'Review' or 'Confirmed' in order to compete.

INTERNATIONAL COMPETITORS

International competitors are welcome to shoot this competition, provided they are members of their national federation. We recommend international entries be submitted as early as possible by completing pages 6 and 7. International competitors' background information must go through a security check with Fort Benning personnel. To register for this event, simply email your entry forms complete with a passport to pete.carson@usashooting.org. Pre-registration is required and entry fees are due upon check-in at the event. Entry fees for internationals will also be charged a one-time fee of \$25 as a single event entry fee.

A temporary firearms import permit (form 6 NIA) is required for smallbore rifles and pistols brought into the United States. Foreign competitors may contact the United States Bureau of Alcohol Tobacco and Firearms (BATFE) to find out about the procedures for entering the United States with a firearm or download the BATFE form 6 NIA from www.usashooting.org – Competitions – Match Information – 2016 Rifle & Pistol National Championships. You can scan and email your completed and signed BATFE form to Lones Wigger at lones.wigger@usashooting.org. All processed forms will be charged \$20 at the time of registration/inscription.

FIREARMS PERMITS/ACCESS TO FORT BENNING

Ft. Benning now requires all those entering the installation to have a background check and an official access pass issued. You can apply for a background check and temporary pass online up to 30 days before to your visit. To apply for a pass online, go to Fort Benning's website <http://www.benning.army.mil/gateinfo/>, complete the form and submit it for review. A pass will be emailed to you. Upon arrival at the gate present the pass. If you do not apply online, you will be required to do so when you arrive at Ft. Benning. It is highly recommended and most efficient to apply online prior to your arrival, as you will be required to go through the background check process before entering the base.

Any competitor must also complete the Weapon Disclosure (pages 8 and 9) document as well as the General Hold Harmless form (page 7) for access to Fort Benning. These forms are found online under the Match Information tab as well as at the bottom of this program. Visitors to Fort Benning are not required to register their firearms, however they must have filled out the Weapon Disclosure document and have it with them in case they are stopped by the Military Police. The firearm must be transported in a locked hard case and the ammunition in a locked separate container. The General Hold Harmless form must be returned to USA Shooting at registration. Both forms are available on the web under Events > Match Information > 2016 Rifle & Pistol National Championships. You do not need to send/turn in the Weapon Disclosure form, but do carry it with you and your firearm at all times. This form does apply to both Air Rifles/Pistol as well as .22's. You will need to turn in the General Hold Harmless form upon arrival.

This competition is governed by 2016 USA Shooting Rules, IPC Rules and any Match Director's bulletins posted for this competition. It is the competitor's responsibility to be familiar with the USA Shooting Rules and follow all provisions.
