When you enter Fort Benning at the Main Entrance at I-185, you will proceed through the front gates, continuing on this road until it Y's and continue on to the right at the Yield Sign. You will now be on Dixie Road. Follow this road (with the golf course on your right) until you reach the first traffic light. Take a left and then another immediate left. This will take you into the fenced area of Pool, Hook and Parks Range. Follow the signs up the hill and curving to the left, ending at Pool Range.
