HOUSING:

If you desire housing/meals at the OTC, your housing request form (end of the document) must be received and paid in full by January 25th, 2016. This form must be emailed to alex.szablewski@usashooting.org. You may make payment by credit card by calling 719-866-4882 or pay upon arrival. If you are staying in the dorms you must also complete the OTC paperwork which will be emailed to you from the OTC. This paperwork **MUST** be completed before your arrival to check-in for the dorms.

Housing and meals, for U.S. Citizens, will be **\$100/day**. International competitors may request housing and meals for the fee of **\$150/day**. The U.S. Olympic Committee recently introduced a much higher fee, as you are aware of from the pricing. USA Shooting has done everything within our control to keep these costs as low as possible.

All competitors and staff must stop by the front desk at the Athlete Center to scan themselves out of the program upon departure. Not completing the out-processing scan will result in a charge of \$50.00. Competitors and staff are required to vacate their rooms by 9:00 am on the scheduled check out date. Charges will also be assessed for missing linens and room damages. Roommate requests may be indicated on the housing form but are not guaranteed.

FINALS:

- Finals will be conducted in M&W Air Rifle, open and Junior; Men's Prone (open only), and M&W 3-Position (open and juniors). Finals will be conducted on electronic targets. Visitors (non-USA citizens) are eligible to participate in Finals.
- Finals Eligibility: Top 8 shooters after the two-day aggregate in the above will qualify for the finals
- Finals in Smallbore will be conducted Saturday morning and early afternoon on the lower range. We will squad top U.S. National shooters and international guests on the Saturday morning relays. Saturday afternoon relays are open to anyone as a second course of fire, but you will not be eligible for the finals. Finals in 10m will be on Sunday afternoon only. If you expect to shoot the 10m Final, please schedule travel accordingly.
- "Super Finals": These finals are a National Team/National Development Team (NT/NDT) focused event that will feature the top international guests competing with members of our NT/NDT. We will have some spots open to a brief tryout the morning of the Super Final. These events are conducted on Tuesday and Wednesday of Rocky Mountain Week. Detailed information regarding these finals will be published on the range bulletin board located across from the upper range entrance.

GENERAL:

The competition will be held on the 50 meter and 10 meter Olympic Shooting Center indoor ranges. Both events will be fired on Megalink electronic targets.

RULES:

Current USA Shooting Rules will govern. Equipment control will be completed at this

event and all competitors are subject to random checks.

PARALYMPIC ATHLETE ELIGIBILITY:

Paralympic competitors are welcome to participate but must request housing ASAP if special requirements are needed. Rocky Mountain Championships operate on a first come/first serve basis. For this category to be active, a minimum of three entries are required. If a disabled athlete can assume an ISSF/USAS legal position in an event, they will be eligible for the Open Rocky Mountain Championship awards in that event also. Please contact Bob Foth (bob.foth@usashooting.org) to make entry.

JURY:

A Classification Jury will be appointed by the Competition Director to resolve all scoring challenges. A Competitions Jury will be appointed to resolve other issues as needed.

SQUADDING:

Squadding will be accomplished to meet various match requirements.

To accomplish squadding efficiently, it is important that each competitor provide the earliest and latest date & time they are available for firing.

Do not fly out prior to 3 PM on Sunday if you want to compete in the air rifle finals.

*We **HIGHLY** recommend that you fly in with a day buffer before your desired relay.*

*The Colorado weather is unpredictable and we **CANNOT** guarantee that we can re-squad you later if you or your gear is delayed.*

ELIGIBILITY:

Open to any current member of USA Shooting. International competitors must be members of their own federation.

TARGETS:

All competitions will be shot on Megalink electronic targets.

SHOOTING MATS:

Shooting mats are available. Competitors may use their own mat if they desire.

TIME LIMITS:

60 shots Prone:	50 minutes
40 x 60 x 40:	3 hours 2 minutes block time
Women's 3 x 20:	1 hour 45 minutes block time
Men's Air Rifle:	1 hour 15 minutes

SIGHTING SHOTS:

There is a combined Preparation and Sighting period of 15 minutes before the published start time of the event. Unlimited sighting shots will be allowed prior to the start of each position in three position matches but no further sighting shots are allowed after the start of match firing. All Sighting Shots for prone and kneeling must be fired within the block time allotted. Fouling shots may be fired into the backstop prior to the first record shot or directly after a cease fire due to target malfunction.

SCORING CHALLENGES:

A fee of \$25 for air rifle and smallbore will be charged for each challenge submitted. A challenge will constitute a review. The athlete must challenge the shot BEFORE firing the next shot.
