Background and purpose of the Athlete Endowment Grant: USA Shooting and the Bunker Club established the Colonel D.D. Behrens Athlete Endowment Fund to create a reliable and predictable cash flow to fund developing athletes to ensure that United States teams remain strong in the face of increasing competition from other countries. The Endowment Grant Committee will prioritize support for athletes that are not yet supported on US Teams but are showing strong future potential. The Grant Committee will consist of USA Shooting coaches, USAS Chief Operations Officer, an Endowment Committee member, and an athlete representative. We expect the grant pool to increase yearly as the endowment grows.
