

2017 USA Shooting Shotgun National Championships

Match Director's Bulletin #1

July 6, 2017

During the 2017 USA Shooting Shotgun National Championships for Skeet, we will be enforcing ISSF 2017 Rulebook 1.1 – Rule 9.10.4.3 g. This rule is in reference to shooting vests not being allowed to have tape, drawstring, elastic band, etc. that could be used to adjust the fit of the jacket. Due to this rule being a recent enforcement we will have a mandatory Equipment Check for all Skeet competitors.

Alex Szablewski

USA Shooting Competitions/Events Manager
