USA Shooting Olympic Trials  
COVID-19 Response & Review Process

Overview
The below process outlines the response to situations and disputes involving any Participant arising from the USA Shooting COVID-19 Mitigation Plan for the Olympic Trials. This also discusses the opportunity for all Participants to have a full review of their testing results prior to competition start date, if applicable. For these processes, “Participants” include any member of the competition including but not limited to athletes, coaches, staff, support personnel and those who have access to athletes or athlete areas.

This document was produced and is required to be agreed to by all Participants in order to give notice of the COVID protocol in an effort to maintain as safe of an environment as possible for these Trials. Every effort has been made in order to identify situations that might arise however if there is any other situation surrounding COVID that arises before or during competition, USA Shooting will do its' best to make all parties aware of a safe and equitable process.

COVID-19 Testing
1. **PCR Test 72 Hours Prior to Arrival** – All competitors will be required to have a negative PCR test with 72 hours before travel to the competition location. Proof of a negative result must be presented at check-in. Failure to do so will result in being excluded from competition.

2. **PCR Test Upon Arrival** – USA Shooting will provide PCR Testing on Thursday, May 20th at the Double Tree Hotel in Columbus, GA. All competitors must arrive and undergo testing by 4 PM. The Double Tree is located at 5351 Sidney Simons Blvd, Columbus, GA 31904.

3. **Positive COVID-19 Test Upon Arrival** – Participant must be removed from Venue and follow CDC guidelines.

4. **Secondary Review: Confirmatory Tests** – Participant may obtain 2 confirmatory tests. Should both confirmatory tests be negative and the Participant is asymptomatic, the Participant may return to the Venue and participate in Competition. If either confirmatory test is positive, the COVID-19 Officer will ensure/confirm that the proper protocols were followed.

5. **COVID-19 Officer Review** – If the COVID-19 Officer confirms that proper protocols were followed and at least one of the confirmatory tests is positive, or there is not enough time to obtain any further confirmatory tests, the Participant will be removed from Competition.

6. **Decision** – A decision to remove from the Competition based on a positive test is final and binding.

Displaying Symptoms of COVID-19
1. **Participant Displays Symptoms of COVID-19** (including temperature of over 100.4°) – Participant must be removed to medical area.

2. **Medical Review** –
   a. The COVID-19 Officer (who is also a Physician) will conduct a medical review, which will include the use of alternate thermometers and monitoring for up to an hour.
   b. Participant can present evidence of other explanatory medical conditions.
   c. The Medical Director (Dr. Cathy Arnot) will make the determination on removal from the Venue and Competition.

3. **Decision** – A decision to remove a participant from the Competition by the Medical Director is final and binding.
USA Shooting Olympic Trials
COVID-19 Response & Review Process

Identified as Having Close Contact
1. **Contact Tracing Identification** – Upon an individual testing positive for COVID-19, the COVID-19 Officer will gather information from the positive individual and will identify all other individuals who have had close contact. Those individuals will be notified and must be immediately removed from the Venue and follow CDC guidelines.

2. **Secondary Review and Opportunity to be Heard** – A removed athlete or coach will have the opportunity to present evidence to the COVID-19 Officer about their whereabouts and any other relevant information.

3. **Close Contact Determination** – The COVID-19 Officer will review the information and make the determination regarding removal from the Competition by confirming that the contact tracing protocols were followed appropriately, and the individual has been identified as having close contact with someone positive for COVID-19.

4. **Decision** – A decision to remove from Competition made by the COVID-19 Officer is final and binding.

Failure to Abide by USA Shooting’s COVID-19 Mitigation Plan
1. **Mitigation Plan Enforcement** – The COVID-19 Officer, or designees, will enforce USA Shooting’s COVID-19 Mitigation Plan and may impose consequences on Participants for violations ranging from a warning to removal.

2. **Opportunity to be Heard** – Participants identified to have violated the Mitigation Plan will be permitted to share explanatory or other relevant information related to the violation.

3. **Removal** – If removal is imposed, the Participant will be immediately removed from the Venue.

Agreement
I agree to abide by and be bound by USA Shooting’s COVID-19 Mitigation Plan, including the Response and Review Process. Failure to sign this document will result in being ineligible for the Competition.
