I. NATIONAL TEAM POLICY

1. The National Team may consist of an “A” squad and a “B” squad for each discipline. Initially, all members of the NT will be selected to the “A” squad. Any “A” squad member may be moved to the “B” squad at any time by recommendation of the coach and action of the Director of Operations and with the final approval of the Executive Director based on the following criteria:

1. Lack of progress in demonstrated performance
2. Attitude
3. Failure to attend required activities
4. Code of Conduct violation

2. “B” squad members will not receive further support except at the recommendation of the National Coach and approval by the Director of Operations.

3. National Team members must participate in the training and competition activities established by the National Coach staff. All shooters selected to the NTT, NT, NDT, NJT or NJDT will work with the National Coach staff in creating and executing a training program designed to produce acceptable progress toward maximum performance. Failure of the Team member to do so may result in reduction or suspension of support.
