Pan Am and Olympic Team procedures also require approval from the USOPC.

- Notification of team new team selection procedures shall be sent to the general USAS membership via email.
• USAS staff will be testing other methods for communicating selection procedure updates including case papers and video interviews of coaches, and webinars.

4. **Official Team Communication**

   Official Team Communication consists of, but is not limited to, person-to-person communication regarding team selection, stipend status notification, disciplinary action, and requests for information. All Official Team Communication will be transmitted via email to the email address listed in the athlete profile in association management software. Athletes are required to keep this email address up to date in order to facilitate efficient communication with the USAS Staff. All official communication will include, or be sent by, the USAS HP Manager.

5. **Major Competition Procedures:**

   • **Domestic Competitions:** Information regarding competitions conducted by USA Shooting will be posted at [https://usashooting.org](https://usashooting.org) on the Events page. All USAS Shooting events match programs will include a disclosure on any impact that event has on team selection. Additionally, notifications will be sent via Slack and USAS social media feeds with links back to the USAS website.

   • **International Events:** Naming to an event team, such as a World Cup or Grand Prix, will occur via Official Team Communication (email from the National Team Coach or HP Manager). Travel arrangements, notifications, and requests for information will occur via email. Athletes that refuse to provide information including, but not limited to, passport numbers, firearms serial numbers, in accordance with USAS team requests, will not be eligible for financial support from USAS for team travel. During the event, team communication will occur via Slack, email, or a platform designated by the team leader for that trip.

   • **Delegation Events:** For the Olympics, Pan Am, Paralympics, or Para Pan Games, notifications will come through Official Team Communication, USOPC email and notifications, and the USOPC Games Registration process. USAS will announce and explain major schedule changes via a conference call and post recordings on the USAS Website.

6. **Ongoing Communication:**

USA Shooting implemented Slack for NT/NDT communication at the request of and in cooperation with the USAS AAC. All team members and USAS Staff are able to access Slack at no charge under the USAS license agreement. The best uses for Slack:

- Posting questions to your discipline rep, AAC rep, coaches or peers
- Searching for answers to questions asked by your peers
- Searching for documentation posted by the USAS AAC reps
- Direct Messaging or Video Calling your AAC reps
- Open discussion forums on team related topics

National Team Coaches/Managers will maintain a consistent and predictable cadence of communication with their NT/NDT members.

- Each National Team Coach will host a quarterly live or web conference meeting open to National Team and National Development Team members. The USAS CEO and HP manager will be invited to that meeting. The meeting will be recorded for those that cannot make the meeting and posted to Slack.

- Each National Team Coach will send a monthly update email to the NT/NDT members. These emails are meant as informational only and will not be considered official communication.

7. **Staffing and Hiring Procedures:**

Staffing changes shall be communicated on a timely basis while respecting the privacy of USAS employees and applicants.

Interviewing Process for National Team Coaches/Managers:

- The CEO shall designate a hiring committee for each National Team Coach hiring process.
- The appropriate discipline rep for that hire shall be on that hiring committee.
- Communication with athletes during a hiring process is the responsibility of the appropriate discipline rep.
• Applicant name, decision criteria, and hiring process status will be considered confidential and will not be shared outside of the hiring committee, other than to provide appropriate status updates to the CEO.
• Hiring committees shall recommend candidates to the USAS CEO for approval. The authority to hire and negotiate compensation rests solely with the CEO in accordance with USAS Bylaws.
