2021 PERFORMANCE STANDARDS – JUNIORS --

USOPC has not awarded funds in the High-Performance pool for Juniors in 2021. This creates budget constraints regarding Junior World Travel funding.

A. Description and Use:

Performance Standards (PSS) are in effect for any Junior specific World Cup, World Championship, or other International Shooting Sports Federation Match. This PSS Policy will be used to determine eligibility for travel and funding to major Junior ISSF events.

B. Performance Standard Qualification: (Shotgun)

PSS achieved will last for a rolling calendar year. The Performance Standard qualification can be achieved in any of the ways described below:

1. Achieving the PSS at least once in the following competitions in the event contested: ISSF WORLD CUPS, ISSF WORLD CHAMPIONSHIPS, SELECTION MATCHES, JUNIOR OLYMPIC CHAMPIONSHIPS, NATIONAL OPEN CHAMPIONSHIPS.
2. Making a final at a World Cup qualifies the athlete through the end of that current calendar year.
3. Winning a medal at a 2019 or 2021 World Cup or making a final at 2019 or 2021 World Championships qualifies the athlete for the following year.

Funding of non - PSS qualifiers to the ISSF competitions may be available based on the proximity to the PSS score in the designated PSS matches. This funding is budget dependent.

National coaching staff may designate additional or different Junior PSS qualifying matches based on specifics of Junior Selections and competitions calendar. This funding is budget dependent.
