Other Domestic and International Ranking Matches

Match Organizers may petition to have a domestic competition designated as a Ranking Match. Athletes may petition to have an international competition designated as a Ranking Match. These approvals must be done at least one month prior to the competition in question taking place. Criteria considered will be:

- The match should be a major competition of the year. Matches that are part of a weekly or monthly series would not qualify.

- The match should expect to draw over 100 competitors from across the country and should include high-level competitors from at least five states or five countries.

- The course of fire must be the current ISSF course of fire.
- Range facilities should be world-class and must use electronic targets.
- The match should expect to have at least five world-class scores posted, defined as the average 20th place score from the previous two years' World Cups. Currently these scores are:
 - o Men's Air Pistol: 576
 - o Women's Air Pistol: 571
 - o Men's Rapid Fire: 576
 - o Women's Sport Pistol: 580
- Significant merchandise and/or cash awards are preferred.
- Submitting results from previous years that demonstrate the level of the competition is preferred.
