Other Domestic and International Ranking Matches

Match Organizers may petition to have a domestic competition designated as a Ranking Match. Athletes may petition to have an international competition designated as a Ranking Match. These approvals must be done at least one month prior to the competition in question taking place. Criteria considered will be:

- The match should be a major competition of the year. Matches that are part of a weekly or monthly series would not qualify.
- The match should expect to draw over 100 competitors from across the country and should include high-level competitors from at least five states or five countries.

- The course of fire must be the current ISSF course of fire.
- Range facilities should be world-class and must use electronic targets.
- The match should expect to have at least five world-class scores posted, defined as the average 15th place score from the previous two years' World Cups. Currently these scores are:
 - o Men's Air Rifle: 627.0
 - o Women's Air Rifle: 627.5
 - o Men's Smallbore: 1173
 - o Women's Smallbore: 1171
- Significant merchandise and/or cash awards are preferred.
- Submitting results from previous years that demonstrate the level of the competition is preferred.
